

Introducing the Topic: Jobs and Tools People Use

Grade: K | Subject: Social Studies | Week 3: Jobs and Tools People Use | Time: 20 minutes

Learning Objective

Student will be introduced to this week's focus skill (Jobs people do and tools they use in the community) through a hands-on warm-up activity tied to Jobs and Tools People Use.

Materials Needed

Theme-related picture cards, simple map or chart as needed, paper

Practice Activity

Child practices the new skill independently with a themed manipulative or picture set.
